Average	(Instructor and Course Ratings Only)	My overall evaluation of the instructor is positive.	The instructor seems to have a well developed plan for each class session.	This instructor is available outside of class time for questions and concerns.	This course is challenging.	My syllabus contains appropriate information for my understanding of course requirements.	There was agreement between the course objectives and what was taught.	I learned a lot in this course.	I have increased my skill in this field because of this course.	What are the strongest aspects of this course?	How would you improve this course?	Additional Comments

5.00	5.00	5.00	5.00	5.00	5.00	5.00	5.00	5.00	5.00	Michael is a fantastic professor. He is patient and also challenges us creatively.		
4.83	5.00	4.00	5.00	5.00	5.00	5.00	5.00	5.00	5.00	I feel like this class really is preparing me to work in shop for crew next year. Michael is a great teacher, he knows how to answer my questions well.	Maybe having staggered application days. Towards the beginning of the year, everyone was doing applications on the same day and it was crazy hectic trying to accomplish it all in an hour and a half.	
4.17	4.00	5.00	4.00	5.00	4.00	3.00	5.00	5.00	5.00	the fact that we have more than one person teaching us, and we can try different methods to have get the same results	its too short, by the time the demo is done and everything is set up, we can work for five minutes and then pack up and leave	
4.50	4.00	4.00	4.00	4.00	5.00	5.00	5.00	5.00	5.00	Being able to take this class a freshman and to understand more about Wig and Makeup is essential. We learn the basics and techniques we need to for the future.	I just wish we had more one-on-one time with Michael so that we could really improve our work and full understand what we are doing.	
5.00	5.00	5.00	5.00	5.00	5.00	5.00	5.00	5.00	5.00	The structure is easy to follow, all the while challenging enough to keep students on their toes. I love how clear his instructions are, as well as the class being organized. The time periods we have to do work is just and wonderful.	I don't have anything in mind.	I loved this class! It was challenging and fun.
